

VITA NOVUS

Vita Novus Shiraz 2009

Country of Origin Australia

Region Frankland River

The Brand The Palandri Vita Novus collection represents the pinnacle of Western Australian winemaking, created using hand-selected parcels of fruit from the Frankland River region of Western Australia. This series offers exceptional quality and complexity in benchmark varietals for that special occasion.

Winemaker's Comment The wine is a brilliant deep red in colour. Aromas of raspberry and spice on the nose followed by a palate of bark red berries silky powdery tannins and length the wine shows great shiraz varietal flavours.

Viticulture Fruit was selected from the Frankland River vineyard, one of the premier cool climate grape producing regions of Western Australia.

Vinification Five parcels of the Shiraz fruit were picked separately. Each individual parcel was cold soaked and crushed and then fermented on skins in static fermenters at 25°C for twelve days. The resulting wine was then pressed off skins and into French and American oak barrels for malo-lactic fermentation and maturation. The various parcels of Shiraz were matured in oak for approximately 14 months and then, blended together and prepared for bottling. A wine with depth and power.

Wine Summary
Composition 100% Shiraz

VITA NOVUS

Vita Novus Riesling 2009

Country of Origin Australia

Region Frankland River

The Brand The Palandri Vita Novus collection represents the pinnacle of Western Australian winemaking, created using hand selected parcels of fruit from the Margaret River and Frankland River regions of Western Australia. The name Vita Novus is a tribute to the immigrant settlers who discovered a new life for themselves in Western Australia, thus the Latin interpretation is New Life.

Winemaker's Comment A cool climate Riesling. Light straw in colour with lively floral characters on the nose, this is an intense style with lemon and lime citrus fruit underpinned with a steely crispness and a clean, zesty finish.

Viticulture Fruit was sourced from vineyards in the Frankland river region. The cool climate allows for slow, even ripening which intensifies the flavours.

Vinification All parcels were cold fermented at 12-14 C, using an aromatic yeast strain. Only free run juice was used, allowing the fresh varietal character to be retained.

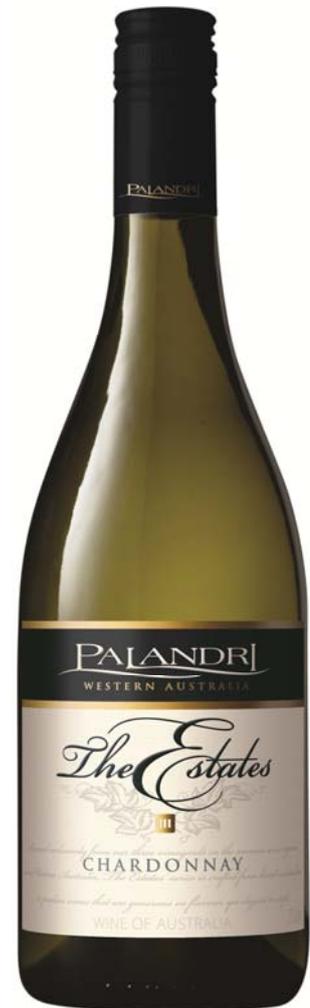

Wine Summary	Composition	100% Riesling
	Harvested	March 2009
	Cellaring	3-5 years
	Alcohol/Volume	12.5%
	pH	2.9
	TA	8.84g/L

The Estates Chardonnay 2010

Country of Origin	Australia	
Region	Frankland River and Margaret River	
The Brand	Palandri 'The Estates' wines have been crafted from hand-selected fruit to produce wines that are generous in flavour, yet elegant in style. Grapes for the wines were carefully sourced from our two vineyards from the cool climate regions of Margaret River & Frankland River.	
Winemaker's Comment	An elegant and intense Chardonnay. This wine displays peach and melon flavours, balanced seamlessly with hints of cashew nuts. Lees stirring has added complexity and creaminess to the palate.	
Viticulture	Fruit was sourced from the two premium fruit growing regions of Western Australia Frankland River and Margaret River from an exceptional vintage	
Vinification	Fruit from each vineyard was picked at night in cool temperatures to preserve varietal flavours and aromas. The wine was fermented and stored in its individual batches in stainless steel and then transferred to small oak barriques after ferment for maturation and lees stirring . Producing a outstanding complex chardonnay	
Wine Summary	Composition	100% Chardonnay
	Harvested	March 2010
	Cellaring	2-4 years
	Alcohol/Volume	13%
	pH	3.2
	TA	7.0g/L

The Estates Cabernet Sauvignon 2009

Country of Origin	Australia
Region	Frankland River /Margaret River
The Brand	Palandri 'The Estates' wines have been crafted from hand-selected fruit to produce wines that are generous in flavour, yet elegant in style. Grapes for the wines were carefully sourced from our three vineyards and other exceptional vineyard sites across the cool climate regions of Margaret River & Frankland River.
Winemaker's Comment	Cabernet Sauvignon is a classic in Western Australia and this wine is no exception. The wine has flavours of concentrated blackberries, spice and subtle vanillin oak characters. The rich texture of the wine is balanced with fine tannins which lead to a long and complex finish.
Viticulture	The fruit for this wine was selected from two regions of Western Australia. The Frankland River region with its cool climate, imparts intense mixed berry flavours and the Maritime climate from the Margaret river region giving the wine structure and balance.
Vinification	Each vineyard batch went through extended maceration after ferment to soften and broaden tannins, extract maximum colour, and enhance the aromatic profile. The Wines were then racked into French oak barriques to undertake malolactic fermentation. The Wine underwent 14 months barrel ageing prior to bottling.
Wine Summary	Composition 100% Cabernet Sauvignon Harvested April 2009 Cellaring 5-7 years Alcohol/Volume 14.5% pH 3.6 TA 6.5g/L

BALDIVIS E S T A T E

Baldivis Estate Cabernet Merlot 2009

Country of Origin	Australia	
Region	Frankland and Margaret River	
The Brand	Baldivis is a range of wines that pushes the traditional boundaries by offering fresh and captivating wine styles and an overall character of sophistication with a sense of playfulness.	
Winemaker's Comment	A combination of Cabernet Sauvignon and Merlot, the intense, rich berry, spicy fruit is complemented by the smoothness and plum of the merlot to produce a full flavoured, easy drinking wine.	
Viticulture	Fruit was carefully selected from vineyards in the Margaret River and Frankland River regions.	
Vinification	Fermented on skins for 10 days with extended skin contact time for the Cabernet Sauvignon prior to being pressed. The wine was matured in new French oak for 9 months providing a vanillin spice lift, great length, complexity and an integrated palate.	
Wine Summary	Composition	65% Cabernet Sauvignon 35% Merlot
	Harvested	March 2009
	Cellaring	2-4 years
	Alcohol/Volume	13.5%
	pH	3.49
	TA	6.7g/L

BALDIVIS E S T A T E

Baldivis Estate Classic White 2010

Country of Origin	Australia	
Region	Frankland and Margaret River	
The Brand	Baldivis is a range of wines that pushes the traditional boundaries by offering fresh and captivating wine styles and an overall character of sophistication with a sense of playfulness.	
Winemaker's Comment	A colour of light straw and a bouquet of fresh, tropical fruit, with pineapple and accents of lime. Melon, pineapple and tropical flavours dominate the extended palate. A distinctively zingy and full of fruit flavour which is complemented by a clean, crisp finish.	
Viticulture	Fruit was carefully selected from vineyards in the Margaret River and Frankland River regions.	
Vinification	All parcels were kept separate prior to blending, with fruit crushed and allowed a small amount of skin contact prior to pressing. The wine was fermented at low temperatures to preserve the tropical fruit flavours and then settled, blended and filtered before bottling.	
Wine Summary	Composition	44% Sauvignon Blanc, 38% Semillon, 18% Chardonnay,
	Harvested	March 2010
	Cellaring	Drink Now
	Alcohol/Volume	12.5%
	pH	3.06
